My swimming lesson will take place in the pool.

I walk when I am near the pool to be safe.

My swimming teacher will wear a blue rash vest.

My swimming teacher will take me to the space where I will have my swimming lesson.

I will place my swimming bag in a basket to keep it safe and dry while I am swimming.

My swimming teacher will show me how to enter the water safely.

My swimming teacher will show me how to paddle, blow bubbles, float and kick in the water. It will be fun!

I might use a noodle, kickboard or other equipment during my swimming lesson.

It can be noisy at the pool. I can wear ear plugs in the water. I can take a break in a quiet place with my school teacher.

When my lesson is finished my swimming teacher will take me to my school teacher.
